

HMIS Data Collection Template – “Living Situation” Data Collection Form for Street Outreach, Emergency Shelter, and Safe Haven Projects

This form will allow all Street Outreach, Emergency Shelter, and Safe Haven projects to track the required HMIS Living Situation data element.¹ This information should be gathered at entry for all household members—each adult and child. A separate form should be included for each household member. Use additional forms as needed. Projects may use any available HMIS records to assist the client in recalling where he or she was staying, but completing this form does not require backup documentation to verify a client’s responses. If a project requires documentation for eligibility purposes, additional documentation tools and guidance are anticipated to be forthcoming.

PROJECT ENTRY DATE (e.g., 08/24/2014)

The Project Entry Date will serve as the information date for all data elements collected on this form; all data must be accurate as of this date, regardless of the date collected.

Other	<input type="checkbox"/> Transitional housing for homeless persons (including homeless youth)
<input type="checkbox"/> Client doesn’t know	
<input type="checkbox"/> Client refused	

*Interim housing is not a type of housing but rather a housing situation for a client that meets the following criteria:

1. Must have been chronically homeless at entry to interim housing,
2. Must have applied for permanent housing, accepted, and have a unit/voucher for perm. hsg. reserved for them,
3. Must have been prevented from immediately accessing permanent housing unit or using a voucher in a permanent housing unit (e.g. apartment getting painted, old tenant moving out, has a voucher but is looking for the unit, etc.), &

¹ A [separate form](#) is provided for all other project types.

4. Client and transitional housing project must have determined that transitional housing is an acceptable option until permanent housing unit is ready for occupancy.

2. LENGTH OF STAY IN PRIOR LIVING SITUATION

How long was the client staying in that place?

<input type="checkbox"/> One night or less	<input type="checkbox"/> 90 days or more, but less than one year
<input type="checkbox"/> Two to six nights	<input type="checkbox"/> One year or longer
<input type="checkbox"/> One week or more, but less than one month	<input type="checkbox"/> Client doesn't know
<input type="checkbox"/> One month or more, but less than 90 days	<input type="checkbox"/> Client refused

3. DATE THE CLIENT STARTED BEING HOMELESS ON THE STREETS,** IN SHELTER, OR IN SAFE HAVEN THIS TIME

Determine the date of the last time the client had a place to sleep that was not on the streets, in an emergency shelter, or in a safe haven. As the client looks back, there may be breaks in their stay on the streets, shelters, or safe havens. The breaks are allowed to be included in the look back period to calculate the start date only if:

- The client moved continuously between the streets, shelters, or safe havens. The date would go back as far as the first time they stayed in one of those places; OR
- The break in their time on the streets, shelters, or safe havens was less than 7 nights. A break is considered 6 or less consecutive nights not residing in a place not meant for human habitation, in shelter or in a safe haven. The look back time would not be broken by a stay less than 7 consecutive nights; OR
- The break in their time on the streets, ES, or SH was less than 90 days in any of the places listed under the header "institutional situations" on the previous page. The look back time would include all of those days (up to 89 days) when looking back for the start date.

If this is the client's first day on the streets, shelters, or safe havens, enter today's date.

When did the client start staying on the streets, in emergency shelters, or in safe havens this time?

		/			/				
Month			Day			Year			

** "The streets" is being used as short-hand for any place unfit for human habitation (a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground).

4. NUMBER OF TIMES THE CLIENT HAS BEEN HOMELESS ON THE STREETS, IN SHELTER, OR IN SAFE HAVEN IN THE PAST THREE YEARS

A break in homelessness separating the occasions means at least 7 consecutive nights of not living on the street, in an emergency shelter, or Safe Haven or at least 90 days in any of the places listed under the header "institutional situations" on the previous page.

How many times has the client been homeless on the streets, in shelter, or in safe havens in the past three years, including this time?

<input type="checkbox"/> One time (this time)	<input type="checkbox"/> Four or more times
<input type="checkbox"/> Two times	<input type="checkbox"/> Client doesn't know
<input type="checkbox"/> Three times	<input type="checkbox"/> Client refused

5. TOTAL NUMBER OF MONTHS THE CLIENT HAS BEEN HOMELESS ON THE STREETS, IN SHELTER, OR IN SAFE HAVEN IN THE PAST THREE YEARS

Record the total number of months for all the different times the client has spent homeless on the streets, in shelter, or in safe havens in the past three years.

For example: If the client has been on the streets, ES, or SH since January 15 and it is now March 1, the cumulative total would be 1.5 months (January = 15 days and February = 1 month). If they were also homeless for a month back in October, the cumulative total would then be 2.5 months. Responses may be rounded to the next-nearest month, so you would choose "3 months."

How many months, in total, has the client has been homeless on the street, in an emergency shelter, or Safe Haven over the past three years?

-
- One month or less (you may also choose this if this is the first time the client has been homeless)
-
- Between 2 and 12 months → Enter the total number of months: _____
- More than 12 months
-
- Client doesn't know
-
- Client refused
