Haven for Hope currently formally supports 105 Individuals and 46 families after having moved out into permanent housing. However, there are many more Individual and Family Alumni whom we would be grateful to support with surplus above the indicated numbers.

We need your help to fill **TURKEY BOXES** for clients who are Alumni of Haven for Hope for Thanksgiving. This will allow individuals and families who have graduated from Haven for Hope and who are in permanent housing to make their own Thanksgiving dinner and enjoy it with the ones they love!

Volunteers can put boxes together and deliver them to the Volunteer Center, where our case managers will pick them up and deliver them appropriately.

**Full Turkey Boxes should be delivered by Friday, November 17, 2017 to
Volunteer Center, 1 Haven for Hope Way**

Please RSVP: <http://bit.ly/h4hturkey>

**HAPPY
THANKSGIVING!**
