

volunteer group application checklist

Thank you for your interest in volunteering! The checklist below will help us plan a meaningful volunteer experience for your group.

We highly recommend:

- Take a tour of campus to become familiar with the volunteer opportunities available. Variety Tours are 90 minutes long and are held every first and third Saturday and every second and fourth Thursday of the month. Visit www.havenforhope.org/volunteer to register for a tour. A group tour of 5 individuals or more may also be arranged separately by completing the Group Tour Request Form on the same webpage.

To apply for a group project, the Group Lead(s) must:

- Complete a **Volunteer Group Application**.
- Ensure the requested project date is at least 2 weeks after the date of application submission. Most group activities are facilitated Monday-Saturday 8am-5pm, or in the evenings by special arrangement. However, confirmation of date and time are subject to availability and the discretion of the Volunteer Services Staff.
- Understand that by committing a certain number of volunteers for your project, we will plan projects accordingly. Varying the group size greatly without proper notice will affect the quality and value of your volunteer experience.
- Be clear about the ages of volunteers in your group. Under no circumstances are minors under the age of 18 permitted in the Courtyard for any reason. Our volunteer age guidelines stipulate that volunteer projects for groups with children ages 8-17 are limited to the following (per staff approval):
 - Donation Warehouse (sorting donated goods)
 - Landscaping
 - Learning Center/Activity Center
 - Family Special Events
 - Other projects by approvalGuidelines for adult: child ratios for group volunteer projects are:
 - Groups with children ages 8-11, Adult: Child ratio – 1:5
 - Groups with children ages 12-17, Adult: Child ratio – 1:10

Once your group project is confirmed by our staff, the Group Lead(s) MUST:

- Ensure ALL group members, including YOURSELF, register via the unique web-link provided by our staff. Children under 18-years of age must have a parent or guardian complete their registration for them.
 - Children whose parent or guardian have not completed their registration will not be able to participate in the volunteer project.
- Ensure all adult group members bring a state-issued ID with them the day of the volunteer project.

Please allow one week from receipt of completed application packet for proper processing. Until you receive a confirmation email with final details for your group volunteer project, your group is not approved.

Thank you again for your service – it is greatly appreciated.
