## WHO WE ARE

Our mission is to offer a place of hope, love, and new beginnings by providing, delivering, or coordinating impactful care for people experiencing homelessness in our community.

- In 2006, business and civic leader Bill Greehey, along with City leaders, began the effort to create Haven for Hope.
- The Haven for Hope “one stop” design was born after 18 months of researching more than 200 homeless service providers across the country.
- Haven for Hope is a 22-acre campus for people who are experiencing homelessness.
- Our one-of-a-kind approach brings multiple service providers to a single location, thus increasing accessibility and efficiency of resources.
- The Haven for Hope campus has been in full operation since June 2010.
